July Term of the Probate Court.

Notice.- The satute fixes the times for holding the regular terms of the Probate Court, and as the next regular term will commence on Monday the FOURTH DAY OF JULY, notice is hereby given to all interested, that no business will be done on that day. The Fourth is a day for National rejoicing, and every true patriot should be left free to enjoy it. The Probate Court will, therefore, adjourn until Tuesday the 5th of July when the regular business will be taken up. All persons having cases in his Court, or business to transact, will please bear this in mind and act accor-J. W. ROBERTS.

Fourth of July.

Pursuant to call, the citizens me last Saturday afternoon and organzied by calling Col. S. S. Cooper to the chair, and appointing J. W. Roberts Secretary.

On motion it was resolved to have a pic-nic celebration of the approaching Fourth; and on further motion, G. B. Carson, W. A. Coy and W. K. Fairholm, were appointed a Committee of Arrangements, to attend to all preliminaries and needful preparations, when the meeting adjourned.

A pic-nic celebration dispenses with the stated form of a public dinner, but is not designed to prevent any number that choose to join and set a common table. It leaves every person and family free to do just as they pleasetake as much to eat as they like, and ask as many hands to help them eat it fighting, Dennis nearly always getting as they see proper.

P. S. The order of Gen. Drake requiring the citizen soldiery to drill on the Fourth, will probably resolve the civic ceremonies into a Sabbath School celebration on that day.

Three men with teams, from Leavenworth, were attacked by bushwhackers over in Platte county, Mo., a few miles from that city and two of them and the teams taken. One escaped. ALEXANDER OWEN,

A report came on Wednesday that the guerrillas, 500 strong, bad attacked a small body of the Colorade 24 on the Sni hills, killing 17 and capturing others. The whole border was said to be in a flame of excitement.

On Wednesday the 1st Kansas had a reception in Leavenworth.

The Leavenworth papers have all raised the prices of their various editions. This is sensible—the only part not so, is that they did not adopt this policy months ago. It is worse than folly to publish a paper for the 'fun of the thing.' At the old prices the subscriptions were a dead loss.

The Lawrence Tribune says: 'Som few days since, two bushwhackers were caught near the line, below Aubrey, and confessed their crimes; after which, they were shot by some of the BLANK BOOKS FOR COUNTIES Eleventh. One of them confessed that he was at Lawrence at the time of the DISTRICT COURT BOOKS, raid, was in Price's army, and that about the time Quantrill was preparing to come to Liwrence, he was pressed by Quantrill into his gang.'

The Times and Bulletin unite in pronuoncing the Leavenworth ratification meeting a failure, while the explanations and half-apologies of the Conservative look the same way. It was an effort of the office-holders to galvanize themselves into notoriety. It is a great mistake for cliques to attempt to rule the people and divide those who should and must be friends in order to win suc-
